Media Release

GAIL - RIL Sign MoU

To Set Up Petrochemical Plants globally

Mumbai, December 4, 2007: Reliance Industries Limited (RIL) and GAIL (India) Limited today signed a Memorandum of Understanding (MoU) for Joint Co-operation in Petrochemicals. The MoU was signed in Mumbai by Shri A K Purwaha, Director (Business Development), GAIL and Shri Nikhil Meswani, Executive Director, RIL in the presence of Dr. U.D. Choubey, Chairman and Managing Director, GAIL and Shri Mukesh D. Ambani, Chairman and Managing Director, RIL. The Directors and senior officials from both the companies were also present on the occasion.

Under the MoU, GAIL and RIL will explore opportunities for setting up petrochemical complexes outside of India in feedstock rich countries. Identified opportunities will be examined by a Working Group, consisting of representatives from both the companies. GAIL and RIL will set up a Special Purpose Vehicle (SPV) for setting up petrochemical complexes abroad.

The Working Group is examining such opportunities in Middle East, Russia and FSU countries.

In addition, the two companies will also examine the possibilities of mutual co-operation in the domestic market.

This MoU signed today is the beginning in the area of petrochemical between GAIL and RIL. A Memorandum of Understanding (MoU) was also signed between the two companies on March 15, 2007 for co-operation in identified areas in the natural gas sector including Natural Gas pipeline, City Gas distribution, Coal Bed Methane, Exploration & Production and Operations & Maintenance services.

Describing the development as a major event, Dr. U D Choubey, CMD, GAIL said, "This is an important milestone for both the companies. It is also an extension of the concept of working together, which took shape with the signing of the co-operation MoU in the Natural Gas sector between GAIL and RIL earlier this year. The MoU signed today is the beginning of co-operation in the area of petrochemicals."

Speaking on the occasion, Mr. Mukesh D. Ambani, Chairman and Managing Director, RIL echoed the feelings of GAIL CMD on the need to work together. He said, "GAIL and RIL are India's leading companies in the energy and infrastructure sector. The decision will enable us to look for opportunities globally on a competitive scale for the petrochemical business which will further strengthen India's position on the global map."
